

## **Enforcement**

Enforcement of short term rental accommodations is a land use matter and does not result in the issuance of a ticket, unlike parking enforcement. Enforcement of short term rental accommodation concerns, such as noise, parking, fireworks, would be subject to charges being laid by the Township's Municipal Law Enforcement Officers.

In order for the Township's Municipal Law Enforcement Officers to enforce and/or charge under the Township By-laws, Municipal Law staff are required to have documented evidence that a contravention of a By-law has occurred prior to proceeding. Unfortunately a number of complaints are received by Township staff after the fact and do not provide the Township staff the ability to gather the required evidence for proceeding with charges of a by-law infraction.

Should you have a complaint regarding a short term rental accommodation contravention of a Township by-law, please contact Municipal Law Enforcement Staff at 705-487-2171.
